

## Proctor Silex® Sound Shield Coffee Grinder

**Quieter Operation** – Enjoy a fresh and flavorful cup of coffee by grinding your own beans without the loud interruption, bringing “me” time back into your morning routine. There’s no need to go outside to avoid waking everyone in the household. The uniquely designed Sound Shield technology significantly reduces noise.

**Simple and Intuitive** – Just press down on the outer lid to grind and release to stop. The grinding bowl is easy to remove to fill with coffee beans or to pour ground coffee after grinding.

**Powerful Performance** – Whether it’s a quick cup or a full pot, you can grind up to 12 cups of coffee. The grinding blades are durable stainless steel and made to last, backed by a lengthy three-year warranty.

**Convenient Features** – The bowl is dishwasher safe for easy cleanup. The hidden cord storage keeps excess cord off the countertop and holds it neatly in place when storing the grinder.

### DETAILS

Proctor Silex® Sound Shield Coffee Grinder

Model 80402

MSRP: \$24.99
